Collaborative Practice California
(A Not For Profit Organization)***

What You Need to Know About Your Divorce Options

Divorce Options provides an invaluable service for every person facing the complexities of divorce. This workshop is designed to help people take the first step of untying the knot.

Divorce Options deals with the legal, financial, family, and personal issues of divorce in a logical, yet compassionate way. With the guidance of trained professionals, workshop participants gain a greater understanding of this confusing and overwhelming process.

Divorce Options is an excellent resource to help you decide which divorce option is best for you and your family.

Divorce Options will give you the basic knowledge you need to select the best option for saving time, money and frustration.

Divorce Options will help you discover the community resources you need to get through this difficult time.

Divorce Options™

Divorce Options is available to all married couples and state-registered domestic partners, with or without children.

Many individuals struggle with indecision. **Divorce Options** provides unbiased information to help you explore your options; deal with guilt, anger, and grief; and move forward with your life.
